Coffee time: ☕

[illegible]

Limitations:

Due to CMAP format 4 limitation, supplementary plane emoji (U+1F300 and above) may not render correctly. This includes many popular modern emoji like face emoji, animals, and food items. Only emoji in the Basic Multilingual Plane (BMP, U+0000-U+FFFF) are supported.

The Noto Emoji font used in this example provides monochrome (black and white) emoji, not colored emoji.
